

Dear Parents and Carers,

Welcome to Maple Class, please find an overview of our learning for this term.

On a Wednesday our PE will be outside, please ensure your child has jogging bottoms, leggings or trousers and an additional jumper. This does not have to be a school jumper.

Our outdoor learning session dates are attached to the seesaw message. We now have space to store our wellies outside Cedar Class – this will allow children to leave them in school, should they wish to.

We will also be going on a school trip this term, further information will follow.

If you have any questions, please don't hesitate to ask.

Thank you,

Laura Jervis

Maths- I am a mathematician

We will continue looking at addition and subtraction and length and height. Year Two will then begin multiplication and division and money.

English – I am a reader and a writer

We will be writing super hero stories and also writing about Greta Thunberg.

Art - I am an artist

We are going to be learning to design a 'logo' and sketching a portrait of 'Greta Thunberg'.

Spring 2026

**To the Rescue!
What is your superpower?**

Geography – I am a geographer

We will be looking at human and physical Geography. We will be looking at weather patterns too.

DT – I am a designer

In DT, we will be making our own superhero vehicles.

History – I am a historian

We will learn about Greta Thunberg and Rosa Parks.

Computing

We will be learning about animation, internet research and digital art.

Science – I am a scientist

We will cover:

'Seasonal Changes' and 'everyday materials'.

PSHE – life learning

The units we will cover are:

- Online Relationships
- Internet Safety and Harms
- Basic First Aid
- Economic Well-Being

French

We are going to learn days of the week and colours.

RE

In RE our two enquiry questions are...

Was it always easy for Jesus to show friendship?

Why was Jesus welcomed like a king or celebrity by the crowds on Palm Sunday?

PE

In PE, we will cover woodland activities, dance and multi-skills.

Music – I am a musician

We will be learning Easter Songs. We will also be learning to write graphic scores.
